# **MEASURE RIGHT - FOR A GOOD FIT**

The best way to ensure you get optimally fitting garments is to try them on for real. If that is not possible we recommend that you follow our measuring tips carefully to make sure you get the right size. Snickers Workwear keeps all standard sizes in stock for speedy deliveries (see specific garment for the standard size range). We also offer special sizes - it may take a little longer, but it's well worth it. Outside sizes are available to order with 50% extra surcharge.

### IMPORTANT MEASUREMENT TIPS

- **1.** Get help from someone to take your measurements.
- 2. Take measurements dressed in body-tight underwear.
- 3. Measure tight against/around your body, but without the measuring tape being pulled so hard that it "cuts" in.
- 4. When measuring the inside leg, make sure the measuring tape is firmly extended.

## A. Body length

Top of the head to the sole of the foot

## **B.** Chest

Chest width, horizontally at the widest point.

## C. Waist

Waist width, horizontally at navel height. Important measurement for one piece trousers and overalls.

D. Hip

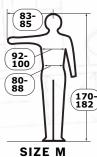

Hip width the way you wear your trousers.

## E. Seat

Seat width, horizontally at the widest point.

## F. Inside leg

Crotch to the sole of the foot. Extremely important measurement to ensure the kneepads end up in the right position.

Every CE-marked garment has to have a label with a pictogram that shows the size and the body measurements of the person that the garment is intended for. This means that you always can check inside the garment to see the size.

## **NEW ADJUSTED FIT**

Snickers Workwear is continuously improving the fit according to customers demand. This means new products can be perceived as having "a smaller fit" and you may need to go up one size compared to old styles. (See specific size charts). New products with new fit is marked "New adjusted fit".

Please note!

## ALL MEASUREMENTS ARE BODY MEASUREMENTS

Measure your body carefully. Look for your measurements in the chart and find the correct size. Bear in mind that it's not you who must fit the garment, but the garment that must fit you. Snickers Workwear offers a size for everyone! If you don't find your measurements in the chart, please contact our Customer Service for help. For standard stock sizes, see each garment.
